CHAIRMAN MESSAGE

I am proud to welcome you to International Taskia Work.

Since our inception, we have remained committed to one clear purpose: bridging the gap between opportunity and talent. In an ever-evolving market, the need for skilled, reliable, and dedicated manpower has never been greater. At International Taskia Work, we take this responsibility seriously—delivering workforce solutions that support the growth and success of our clients, while also creating meaningful employment opportunities for individuals.

As we look to the future, we remain focused on innovation, compliance, and sustainability—ensuring our practices not only meet but exceed industry standards. We are grateful to our partners, employees, and clients who have trusted us on this journey. Together, we will continue to build a workforce that powers industries and transforms lives.

MARKETING DIRECTOR MESSAGE

At International Taskia Work, we understand that our greatest asset is not just the manpower we provide, but the trust we build with every client and candidate. In today's dynamic and competitive business environment, having the right people in the right place at the right time makes all the difference. That's where we come in.

As the Marketing Director, I aim to ensure our brand stands as a symbol of reliability, quality, and partnership. We don't just promote services—we tell the story of how we empower businesses to grow and help individuals find meaningful employment. Every campaign we launch, every connection we make, is designed to reflect our values: integrity, efficiency, and human impact.

Our success is built on strong relationships—with our clients, our workforce, and our community. We invest in our people, maintain a deep respect for labor laws and ethical practices, and work tirelessly to ensure client satisfaction.

HOW WE WORK

1

Sourcing & Screening-

We identify and attract qualified candidates through strategic sourcing methods. Each applicant is thoroughly screened and assessed to ensure they meet the specific skill and experience requirements.

2

Selection & Matching-

We carefully match candidates with client needs, ensuring alignment in skills, work culture, and job expectations. Only the most suitable candidates are shortlisted and presented to the client.

3

Deployment & Support-

Once selected, candidates are deployed to the client's site with full administrative and logistical support. We continue to monitor performance and provide ongoing HR assistance to ensure long-term success.

OUR SERVICE

COMPANY

Skilled Manpower Deployment

We provide client companies with qualified and experienced professionals across various industries. Our process ensures the right match between skilled workers and job requirements, enabling clients to enhance efficiency and achieve operational excellence.

INDIVIDUAL

Recruitment & Career Development

We are committed to identifying and recruiting individuals with potential, guiding them through a structured recruitment process, and helping them secure promising job opportunities. Our goal is to build careers, not just fill vacancies—offering candidates a path to a better and more stable future.

OUR PROJECT

International
Taskia Work
Limited Liability Company

Our services include talent sourcing, screening, training, and HR support to ensure efficient and reliable staffing solutions tailored to meet the unique needs of our clients. With a focus on quality, compliance, and timely delivery, we help businesses optimize productivity and reduce recruitment challenges.

Belarus

Our company successfully provided over 150 skilled and semi-skilled workers, including steel fixers, masons, carpenters, and helpers for a 35-storey residential tower project. We handled full-cycle recruitment, mobilization, site induction, and ongoing workforce management. Our ability to supply qualified personnel within tight deadlines helped the client maintain project timelines and ensured high-quality workmanship.

France

We currently support EnergyTech with a team of 120+ specialized technicians, including mechanical fitters, riggers, welders, electricians, and safety officers for maintenance operations at an oil refinery. The project involves rotational shift management, strict compliance with safety protocols, and continuous on-site coordination.

Serbia

We provided a full hospitality staffing solution for the pre-opening phase of a 5-star beachfront resort. Over 70 personnel were deployed, including housekeeping staff, chefs, waiters, receptionists, and maintenance crew. Our team managed recruitment, background verification, and pre-deployment training in guest service and hygiene standards.

Key Achievements:

- 100% compliance with safety and labor regulations
- Average deployment time: 10 days from request
- Worker retention rate: 92% over 12 months

HOW IT WORKS?

**International
Taskia Work**
Limited Liability Company

Process 1

1. Client Engagement & Requirement Gathering

- Initial Meeting: The company meets with the client to understand their manpower needs.
- Job Description & Criteria: The client provides detailed job descriptions, number of workers, required skills, duration of the contract, work location, salary, and any legal or compliance requirements.

3. Screening & Selection

- Application Review: Resumes and profiles are screened based on the client's criteria.
- Interviews & Skill Tests: Shortlisted candidates undergo interviews and sometimes trade tests or assessments.
- Background Verification: Reference checks and background screenings are conducted (if required).

Process 2

4. Candidate Presentation to Client

- Shortlist Submission: Profiles of shortlisted candidates are sent to the client for review.
- Client Interviews: The client may conduct final interviews or assessments.

5. Mobilization & Deployment

- Medical Checkup: Candidates undergo medical exams to ensure fitness for the role.
- Visa & Documentation: For overseas jobs, visa processing, ticketing, and legal clearances are arranged.
- Orientation/Induction: Candidates are briefed on the job role, company policies, safety standards, and expectations.
- Deployment: Workers are deployed to the client's site/location.
